Seamless Background with shadows in Adobe Photoshop: This class will show you how to apply any image from a product to create a seamless professional background with artificial shadows. This is great for e-commerce portfolios, stores, and product photography. Have fun and do this yourself using the tools from this course.

Lessons in This Class:

- An introduction to creating a seamless backdrop using shadows using Adobe Photoshop CC 2022
- How do you make a smooth background using shadows created from images in Adobe photoshop 2022's cloud of creativity
- Outro: How to create a seamless background with shadows from Adobe Photoshop 2022.
