Archipelago Quest – Quest 24 Floresce: Floresce offers an ethereal collection of AI tools and presets that will help create great light and airy appearance in only two clicks. The three color-graded presets offer a solid foundation you can build from and offer many exciting options. You can personalize your look to your liking using Ethereal's AI presets. Of the seven tools included, Ethereal gives you a changeable look by increasing brightness while maintaining contrast and exposure levels. Make sure to utilize your Skin Tone modifiers to adjust your subject perfectly. Additionally, the Pastelize tools let you remove tonality from your background while maintaining your subject's accuracy and skin tone.
