**Abletunes Magnitude Ableton Live Template:** "Magnitude" brings you a potent mix of pulsating drums, tight drums bassline, a melodic lead, and a variety of arpeggios, synths, and dark effects. This is an ideal template for producers who wish to create Melodic Techno tracks in Ableton Live.

**What do you need to do to utilize work with Ableton Template:**

- Ableton Live Suite 10.1 (or higher)
- Serum v1.249 (or higher)
