What isMINIMAL Lightroom Mobile Presets?

Lightroom presets are pre-configured settings that you can apply to your photos to achieve a distinct look or style. These settings encompass adjustments to color, tone, contrast, and various other parameters. In the context of Lightroom presets labeled as "MINIMAL," it typically implies a style characterized by simplicity, cleanliness, and a lack of complexity. Minimalist presets are designed to reduce visual distractions, highlighting a clean and straightforward aesthetic in the final presentation of the image.
