### tiny voice actors Renowned BOOM QUALITY

You'll love the sweet, multicolored, and sharp recordings that are high-quality. The library includes the 152 tracks in 96kHz/24bit High Definition Audio. It is larger than 500MB.

### WHAT We recorded

We invited lots of infants aged between 3 - 24 months old - both boys and girls - into our studio. They responded to our invitation to bring their parents, and the fun and often loud recordings began. We also supplied each new parent in our office with the best recording equipment and microphones and taught the parents about how they can record their children at home.
