What is Sun CreativeMarket?

"Sun CreativeMarket-269012" is a package of sun-related vector illustrations available on CreativeMarket. Here's what you can generally expect from such a package:

Vector Illustrations: This package includes 24 vector illustrations of sun-related images. These images are typically created in a vector format, which means they can be resized without loss of quality, making them versatile for various design projects.

Sun and Exploration Themes: The illustrations likely revolve around themes related to the sun, light, and exploration. This can include images of the sun itself, rays of light, celestial objects, or exploration-themed graphics.

File Format: The vector documents are provided in EPS (Encapsulated PostScript) format. EPS is a widely supported vector file format that can be opened and edited in vector graphics software like Adobe Illustrator.

When working with vector illustrations like these, you have the flexibility to customize and adapt the images to suit your specific design needs. You can change colors, sizes, and other elements to integrate them seamlessly into your projects.
