Motion Opener (Videohive 48016946) - AE Project

2025-02-10 16:45:47　　label 我要反馈　　下载页面

Motion Opener (Videohive 48016946) - AE Project: Crystal-clear resolution at 1920x1080 or go all out with the stunning Ultra HD at 3840x2160. Designed for Adobe After Effects CC2022, this project boasts a smooth frame rate of 29.97 fps, spanning 34 seconds. The sleek Objective font adds a touch of modernity. Forget about plugins—this project stands strong on its own. Just a heads up: the eye-catching images from pexels.com and shutterstock.com aren't included.
