My 2021 Cinematic Street Photography Presets collection

Give your photos a cinematic look. It works well for urban shots, street scenes at night, and moody landscapes.

See the below description to find out what's included.

The Cinematic Street Photography Collection 2021: 15 Presets

Good Morning! This new Lightroom presets package is something I am excited to share with all of you. It has been refined over the course of my 3 years of traveling and shooting around the globe.

Cinematic Street is designed for style, excellence, and edginess. These presets have saved me tons of time editing photos.

The Cinematic Street presets pack will give your photos a cinematic look. This pack is great for urban shots, especially when taken at night. These presets are great for shooting in low-light areas like the streets.

Get them! Play with them! Make beautiful, cinematic images from them!

Presets are included in the package:

- Fushimi 01
- Fushimi 02 c
- Fushimi 03, c+
- Hong Kong 01
