Highlights Elements for After Effects VH-53414795:

The Highlights Elements template for After Effects offers a collection of doodle-style animations to emphasize key points in your videos.

With full color control, this template is perfect for adding minimalistic hand-drawn effects to social media content, educational videos, presentations, tutorials, and more.

It features abstract lines, shapes, arrows, and pointers to enhance visuals and highlight important information.

The project supports 4K resolution and includes a video tutorial, compatible with After Effects 2021 and later.
