Lyric Video Template 2 - AE Project VH-22092016: Do you require an animated video with lyrics, but you're unsure when to get it? Make it yourself using the following After Effects Template. It is easily editable! There is no need for keyframing! Set the timer of animation by using comp markers! Move the marker for each text or phrase, and you're accomplished! The video tutorial for this is detailed!

There is no need to be a pro in After Effects! It is possible to adjust everything using markers and controls!

Control:

- Animation In & Out
- Text colors
- Camera shake (adjust or take it out)

Make your video of your lyrics with endless scenes! You can use any background you like (media or colors)!

- It is compatible with After Effects CC 2018 and up!
- 21 pre-animated titles. Make copies and then reuse them!
- Twenty film burn components are provided with a variety of durations
- The film dust component is included
- Extra vertical versions!
- There is no plug-in required.
- Universal expressions! It can be used in Non-English and Non-English After Effects Versions!
- Two versions are provided.
- The video tutorials are detailed and include a video!
- The video footage isn't included.
