A package comprising one Photoshop Action comprising a cartoon colorful day impact on your pictures. The Effect isn't hard to reach, and it'll take a couple of minutes – minutes to use.

The activity works best With higher resolution pictures!

Within the package, you will Locate 1 .atn document, also one PDF file describing how to set up and utilize the action.

1. Ensure That Your picture Isn't a wise object. If It's, press right Click the picture layer and Choose the choice "rasterize layer". This way you Make Sure That the actions will Work on your picture.
2. Ensure you utilize the Activity on a single opened picture. Do not attempt to use it in a picture that is already a part of a job, since the effect could apply to all, not just The picture you desire. You can try, however when the desired result Isn't achieved, you Should try out using the activity on a brand new opened picture.

Like every other action outside There, mistakes may appear. If that is the case, do not hesitate to comment on my Graphic River profile and I will help you as soon as I view your comment.
