

## SFXtools Demolition WAV

2025-02-10 16:47:17   [label](#)   [我要反馈](#)   [下载页面](#)

Great for post-production, game audio film documentaries, commercials, or any film that requires high-definition sound effects.

We are thrilled to introduce "Demolition" a compact collection that includes 35 sounds that can assist you to design massive destruction and demolition scenarios for your own projects. The sounds range from massive concrete demolitions of buildings to tiny wooden cabin crashes and earthquake destructions to devastating smashes and wrecking balls long, squealing sounds of large pieces of metal from empty structures. Each sound is precisely created in various sizes to match your scene, drag it onto your scene to make the sound huge. Each sound contained in the folder was recorded at 24bit/192kHz created and delivered in industry-standard 24bit/96kHz, to guarantee the best quality the needs of cinematic production today.
