Our brand new Presets are now after two decades here. This Time there aren't only our Presets, this item is our complete screening Workflow.

Our Aim is that you can Attain the best result in the shortest time. Because of This, this Presets Bundle is much more a creative marriage Editing package! We'll describe in a tutorial precisely how we utilize our Presets and Tools to find the best outcome. There are not any secrets. This time you will find 4 Presets that we've been using indefinitely for more than a year + a b/w Preset. The Filters are very similar but we utilize all four 100% in all of the weddings we attend. In addition, you get our radial gradient & brush filter. These are also used in quite a few of our images. Additionally, the Mobile Presets in the background Presets are also contained in the package.
