Cara Zagni: Moon Pack II Presets:

Moon Pack II offers a versatile and timeless suite of presets for Adobe Lightroom Desktop, designed to elevate modern photography with ease. Building on the success of Moon Pack I, this new pack combines a clean editorial look with a stylized twist, ensuring optimal results across various lighting conditions, gear, and skin tones. It includes five presets (Main, Golden Hour, Night/Flash, B&W I, and B&W II) along with a 16-piece toolkit featuring tools for grain adjustment, AI enhancements, auto-straightening, noise reduction, and vignette control.
