Holi Vertical Stories (Videohive 50923004) - AE Project

2025-02-10 16:45:02 label 我要反馈 下载页面

Holi Vertical Stories - AE Project VH-50923004: Introducing an After Effects template featuring vibrant cartoon short vertical stories inspired by the festive spirit of Holi, the festival of flowers. This project offers six distinct and colourful stories in a vector style. Customize the colours effortlessly and modify the text to match your preferences. Perfect for YouTube shorts, social media promotions, and more. Get your hands on it now! No additional plugins are needed.

- Compatible with After Effects CC 2020 and above.
- Colour control options.
- Resolution: 1080x1920.
- Includes 6 versions.
- User-friendly interface.
- · No external plugins are required.
- Comprehensive video tutorial included for easy setup and customization.
