

## Class101 – Illustrating Expressive and Atmospheric Art

2025-02-10 17:01:12 [label](#) [我要反馈](#) [下载页面](#)

### What is this CLASS About?

Are you trying to convey emotions in your art? In this class, I'm going to teach students how you can create moody art pieces, and how you can effectively utilize colors in order to express mood! I'll guide you through the entire process using Clip Studio Paint, from beginning with the sketch until the end stage of rendering. I'll also go over the concepts of composition and color theory.

### Who is this class For?

This class is suitable for those who want to add emotion to their artwork and develop their illustration abilities, therefore this class is a beginner and intermediate comfortable! It is also suitable for anyone who wishes to design coherent and stunning color palettes with confidence.

### What can students Achieve?

When you finish the course you'll have a greater knowledge of lighting and colors which will allow you to create stunning illustrations. You'll be able to create emotion and convey stories through your art. Additionally, you will create complete illustrations that reflect a specific mood.
