Summerana – Fine Art Painterly Actions: The Summerana Fine Art Painterly Action Collection includes two action sets.

Set 1:

- Make-up touch-ups for lips and cheeks
- Face highlighting
- In addition, it adds vibrance and haze
- Dodging shadows and burning shadows
- Boosting contrast
- Lifting shadows
- The greens are changing
- The fall colors explode
- Quick Sharpening

Set 2:

- Pop me contrast
- Color me extra vibrance
- Oil painting on oil paint

Every action is fully customizable since there isn't a size that fits. You'll have the option to alter the opacity for every effect, follow the instructions, and turn off/on effects and others. You'll be able to use the feature to the entire image (and apply it to specific regions) or have greater control over your editing by applying your effects to specific areas using Brush On Photoshop. Brush on Photoshop action.
