My Working Software Version : CS4,CS5,CS6,CC, CC2014,CC2015,CC2017, CC2018, CC2020, CC2021 English Version. The only drawback is that you must install the software only available in English. At the moment, other languages don't work.

A few recommendations

For the best results the Photoshop Action it is recommended to use only high-resolution images. We suggest resolutions of 3000px 300 dpi and 3500 pixels. This is the most effective.

The Layers Organization

The most attractive feature that is unique to Photoshop Action is the fact that it allows layers to be separated. This allows you to modify your image quickly while modifying it to your preferences. Every Photoshop Action has its individual layer arrangement.
