# Analog Double Exposure Action (atn, pat, txt)

2025-02-10 17:01:12   label 我要反馈   下载页面

Analog Double Exposure Action (atn, pat, txt): Create amazing Double Exposure effects and use additional unique effects that are stylized with analog cameras. This feature lets you play around with using a variety of different photos using complete control in a simple manner. Control your double exposure composition and choose effects like grains, dust, bleaches, vignettes, etc. The process is very quick and can save you a lot of your precious time.

The action works with Photoshop **Photoshop CS6 (2012) and the latest versions.**

Use Adobe Photoshop's English Version of Photoshop for action work.

Action makes a well-organized layer/folder with the names of colors and.
