Explainer Girl Web Design - AE Project VH-50622978: Explainer Girl Web Design is a versatile project compatible with After Effects 2019 and above, Premiere Pro MOGRTs 2021 and later versions. The project supports resolutions of 4K (3840×2160) and HD (1920×1080), with character resolution at 2000×2000.

The package includes MP4 files, eliminating the need for additional plugins. Each pose seamlessly loops, providing an endless animation loop. The project features user-friendly color controls for customization, covering hair, skin, t-shirt, trousers, shoe colors, and elements.

The Universaliser Controller ensures compatibility with any language. A comprehensive tutorial is provided to guide users through the project. With its intuitive controls and dynamic features, Explainer Girl Web Design offers a streamlined and efficient solution for web design and animation needs.
