### Unreal Engine - Bear Female v5.1:

Realistic BEAR FEMALE Model with 80+ IP/RM Animations and 3 Color Options.

This asset features a lifelike BEAR FEMALE model.

The model boasts 47 bones, 15,700 triangles, and 4 levels of LODs with enabled and configured settings.

Texture maps, available in three color variations, include albedo (with alpha mask), AO/metallic/roughness, and normal map, all generously sized at 4096x4096.

Additionally, a separate model optimized for mobile phones is included, featuring 3,100 triangles.

The package comes with 80+ animations (IP/RM), covering various actions such as attack, hit, death, idle, eat, drink, lie, sleep, sitting, standing, jump, walk, trot, run, swim, turn, and more.

Root motion animations have been customized and are fully functional. Specifically, animations for eating, sleeping, lying down, etc., have tailored beginnings, cycles, and endings.

This comprehensive asset provides a versatile and realistic BEAR FEMALE model, suitable for a wide range of applications.
