This action can be used in Photoshop CS5, 6, and CC. Only one restriction: You must install this version in English. Other languages are currently not supported.

You should only use high-resolution images as input to Photoshop Action in order to get the best results. It is recommended that you use resolutions of 2500px X 3500px pixels.

Photoshop Action's best feature is its ability to keep layers organized. This allows you to quickly work on your image and customize it further. Each Photoshop Action has its unique layers of organization.
