Blender Market - Kit Ops 3 Pro: Premiere Kitbashing Addon v3.0.22:

KIT OPS 3 Pro has been redesigned for an enhanced kitbashing experience in Blender, with a focus on speed, workflow optimization, and compatibility with Blender versions 3.6+ to 4.2+.

It introduces key features like material merging and five new sci-fi KPACKS, allowing for rapid, detailed model creation. The update is ideal for both prototyping and advanced 3D design. Additional improvements include simplified asset (INSERT) management, new documentation, and a comprehensive video manual to streamline the user experience.
