Typo Slides Collection - AE Project VH-44942178: Let's create a promo opening or opener based on text. Provide some details or critical ideas in a video. Twelve versions and twelve different slides are included. Each one is 10 seconds long and can be used as a sequence or within a single 120-second video. Use the Typo Slides Collection template to create stylish openers with a robust typographic style or a quick intro or title reel!

Do you require a stylish, professional, elegant opener, typographic promo, or greetings for the title? This project can assist you! It is also suitable for creating videos to promote protests or political rallies in stomp and fashion.

Typo Slides Collection It is an easy-to-edit template with complete color control within a couple of clicks, and universal expressions can help you use any language in After Effects Software. The PDF file comes with instructions. Drop your image or video into the file, edit the text, add audio, and have fun with the final result!
