The Basics for Artists and Illustrators: Learn to bring your artwork and illustrations to life using colors! This course will break color down into its fundamental characteristics and make this incredibly complex design aspect much more manageable!

Learn color techniques, color schemes, and how to make color palettes that inspire you. I will also discuss how colors can be linked to moods and emotions and how these concepts can be utilized in telling stories. Finally, I'll provide practical suggestions, as well as tried and proven methods that can assist you in using colors to increase the appeal of your writing.

Lessons in This Class:

- Introduction
- Class Overview
- Properties of Color
- RYB and CMY Color Wheels
- Color Schemes
- The Power of Color
- Color and Mood
- Color in Compositions
- Color Studies
- Closing Thoughts
