Website Promo (Videohive 42540434): The most effective way to promote your site is to use this template! A unique project to make the promotion of your websites or landing pages with a fresh and unique motion design.

Quick Website Promo is an e-commerce template that could be used to demonstrate and advertise websites or apps for computers, tablets, laptop applications, services, websites, and user interfaces. The placeholders can be used for videos, screenshots, or animation.

Web promo is the continuation of this well-loved series that is entirely built-in After Effects. It is a great way to advertise your brand-new application or website! Simply drop a screenshot of your site into your screen's placeholders and then change the content and display.

- You don't have to install Adobe After Effects software if you are using Adobe Premiere Pro CC 2021 and above.
- 1080p (1920x1080) resolution
- ONLY ENGLISH SOFTWARE!
- It does not require plugins needed and has no cost support 24-7/very easy to modify
- Adobe Help Document is included
- Change All Settings using the Control Layer (Color Control)
- It is necessary to install fonts before running the project!
- Utilized No-cost Fonts (Font Links included)
- used music, images, and Videos are only for preview and are not included in the project file.
- 0:42 min duration
- Nine scenes that have placeholders to display media (photos or screenshots of your website's landing pages or video if you prefer) along with titles (you can write any text)
- 24 placeholders that can be used for multimedia (photos or videos)
