# Sasha Juliard Portrait Presets LR Presets

2025-02-10 16:48:32   label 我要反馈   下载页面

My Favorite Pair of 10 presets to edit portraits and people shots. I try to take soft All-natural light, either Indoors or outside during the late or early areas of the day. These preset Will work great if the photographs they're employed to additionally taken during that time.

- Compatible software: Adobe Lightroom
- The project comprises: 10 presets
