PicPick Professional is an extensive all-in-one capture, graphic design, and editing tool. With various features, it covers all users' needs, from capturing to sharing pictures and images. PicPick is helpful to a wide range of users and comes equipped with a colour picker, pixel ruler, whiteboard, and many more tools. This makes it useful for designers, developers, and more. Moreover, the highly customizable settings allow for smarter and simpler personalization, which makes it great for both work and play.

- **Screen Capture:** Capture the entire screen, active window, scrolling windows, or regions of your choosing.
- **Image Editing:** Annotate images with text, arrows, and shapes with an easy Ribbon-style editor.
- **Image Effects:** Place drop shadows, frames, watermarks, mosaics, motion blur, and brightness.
- **Sharing Options:** You can save or share images using the Web, Email, FTP, Dropbox, Google Drive, One Drive, Box, Evernote, Facebook, Twitter, etc.
- **Graphic Design Tools:** A colour picker, colour palette, pixel ruler, protractor, crosshair, magnifier, whiteboard, etc.
- **Customization:** Adjust Hot-keys, file naming, image quality, and more to the user's preference.
