In recent months, the Duotone color effect made a comeback. This design trend is most well-known on Spotify. However, it has also been seen in print media and digital.

This duotone action set allows you to create vivid and vibrant duotone effects in just one click. The set contains 50 duotone effects that can be applied to any image. This effect can be used for web backgrounds, print media, and any other purpose you can imagine.

Duotone Actions are:

- **50 Duotone Actions** - Simple to modify and edit
- **PSD Template** - All actions and layers well organized
- **13 High-Resolution Textures (3000x2000)**. You can use them as overlays to create interesting effects
- **Download a detailed tutorial PDF** How to install and use duotone actions
- **PDF Color Guide** This saves time when searching for the right action. All actions are shown with an image

Compatible with **Adobe Photoshop**
