Unity Asset - Hyper Casual Mega Sports v1.0: Elevate your hyper-casual sports game development with the ultimate asset bundle featuring various sports environments and characters. Whether you're crafting the adrenaline-pumping action of Mega Basketball or the strategic precision of Hyper Casual Golf, this toolkit has you covered.

With over 1000 meticulously designed prefabs and a vast array of characters and props, you'll have everything you need to create captivating gameplay experiences. Seamlessly compatible with all lighting and rendering pipelines and optimized for performance with a single 1024x1024 texture shared across all objects, this asset bundle empowers developers to focus on unleashing their creativity without compromising quality.

- **Comprehensive Selection:** Includes Hyper Casual Mega Basketball, Football, Baseball, Volleyball, American Football, Hockey, Cheerleaders, Tennis, and Golf environments.
- **Extensive Asset Library:** 1071 unique prefabs, 213 characters, and 858 props offer limitless customization options.
- **Compatibility:** Works effortlessly with all lighting and rendering pipelines, ensuring smooth integration into any project.
- **Efficient Texture Usage:** Utilizes a single 1024x1024 texture for all objects, optimizing performance without sacrificing visual fidelity.
- **Moderate Polygon Count:** Maintains an average polygon count of ~1500 per object for smooth performance across platforms.
- **Animation-Ready:** While animations are not included, the assets are designed to integrate seamlessly with existing animation systems for added versatility.
