Melli & Shayne – MARULA presets A stunning collection of soft, airy tones that can stand the test of time. THESE PRESETS HAVE BEEN BUILT WITH THE future IN MIND AND WILL SURELY outlive TRENDS WHILE STILL SOMETHING worth SHOWING OFF.

The Marula Presets are our top light, airy presets, which focus on keeping colors rather than changing the colors too rapidly. They're a stunning range of tones that's subtle yet evident. A little tweaking can create an interest however not enough to remain in the same fashion. The presets were created with the idea of the future in mind. Simple, clean, light, and easy to use. It's a tribute to honest photography. And with its robust toolkit, it's an ideal companion to the editing workflow.

The pack includes four pre-sets (mobile versions also available in .xmp's and .dng's), which offer an array of fun tones that are authentic to that Marula's nature. This toolkit was specially made to work with the Marula presets. They are just one click away from making a quick adjustment.
