

## THE AWESOMELY ORGANIC TEXTURE BUS COLLECTION FOR ADOBE PHOTOSHOP - RetroSupply

2025-02-10 17:01:57 label 我要反馈 下载页面

This massive collection of brushes and textures allows you to create high-quality textures and have complete control over how you utilize these (whether you're using Photoshop as well as Illustrator).

In addition, Von's provided everything you will need to UNDERSTAND the various ways you can make use of these tools. There are two videos that go into detail as well as a professional final Illustrator document, as well as one expert last Photoshop file.

Texture Bus is an awesomely organic tool that allows you to: Awesomely Organic Texture Bus allows you to:

- Find the ideal texture for your illustration in just a few seconds.
- Select the best data format to fit your desired texture.
- Find out how one of the most renowned illustrators in the world uses texture in his art.
- Reverse-engineer the final illustrations of a professional (so you can take your illustration files and know you've made it amazing).

**Make your work look professional with high-quality Textures with this massive Texture Pack from Von Glitschka!**

The most important aspect of learning any skill is understanding **how to adapt and adopt techniques to suit your requirements.**

**Gfx plugin details of RetroSupply – The Awesomely Organic Texture Bus Collection**

The product is in **Photoshop category**, for more information about this post you can click the home page link in the sidebar.

It's the same for creating textures for your work. If you're not familiar with the various ways to utilize the materials you're working with, it's like having one hand tied in your rear.

Being aware of EXACTLY how to utilize textures, whether in Illustrator as well Photoshop is essential to being able to work quickly and with creativity.

This is why we have teamed up with Von Glitschka to bring you the amazingly organic Texture Bus.

- High-resolution texture files with 96 high-resolution textures were created by the artist Von Glitschka (including Ai, TIF, and Bitmap).
- Original source photos were taken on the buses (so you can create your own texture by hand).
- Von's personal Ai source file for artwork (so you can gain knowledge on how to reverse engineer an illustrator's professional work)
- Von's personal Ps art sources files (so you can study how to reverse engineer an experienced illustrator's work)
- 27 minutes "Creating with Texture Bus Textures" tutorial video created by Von Glitschka.
- 14 minutes "Texture Timelapse" video by Von Glitschka (at 3X speed to allow you to follow the story effortlessly).
- Quick Reference Guides to Paintbrushes and Textures.
- The RetroSupply Risk-Free Warranty.
