Simple Website And Laptop Promo W07 VH-33490914: This template is the best way to promote your site or laptops. A unique project to promote your website or landing page with original motion design.

SIMPLE LAPTOP AND WEBSITE PROMO W07

The Simple Website and Laptop Promo W07 template can be used to advertise and demonstrate applications, services, websites, and their user interfaces on laptops (MacBook). These placeholders can be used for any type of animation, including video or screenshots.

This project can also be used as a template for a MacBook mockup. All scenes have been prerendered.

This popular series continues with a web promo. It is completely created in After Effects. It's a great way to promote your app or website. Drag a screenshot of your website into the placeholders and then change the text to render.
