### What is Noir B&W Preset Pack — KB?

"Noir B&W Preset Pack — KB" is a set of presets designed to enhance black and white photography with a dramatic and cinematic style. Here are some key points highlighted in the description:

- **Dramatic and Cinematic Filters:** The preset pack includes nine presets that bring drama and cinematic quality to black-and-white photography.
- **Versatility in Lighting:** The presets are designed to work well in various lighting situations, promising consistent results regardless of the lighting conditions.
- **Used by the Creator:** The creator of the preset pack (@kai.boet) mentions that every picture on their Instagram account is toned with these presets, showcasing the effectiveness of the pack.
- **Compatibility:** The presets are compatible with Adobe Lightroom versions 4, 5, 6, Classic CC & CC, as well as Lightroom Mobile and Adobe Photoshop Camera Raw.
- **Delivery and Access:** Customers receive a link to download the preset pack after purchase. It's emphasized that the link has a 24-hour expiration, so users should download the presets promptly. Instructions are also given to check spam folders.
- **Tutorial Included:** The pack comes with a tutorial for using the presets. However, additional steps may be required to unzip the files if downloaded on a phone.
