History of Elections - AE Project VH-53664106:

"History of Elections" is a template for creating an informative video about elections, with a focus on patriotic or nationalist themes.

The project is made using built-in After Effects 3D layers, allowing for easy customization and automation.

It offers straightforward color settings, text editing, and includes full HD resolution at 1080p with 29.97 fps.

The project is also compatible with Cinema 4D for 3D composition and rendering.
