DYNAPIX Auto Cinematic Lightroom Mob and Desk Presets By asokeretope: Dynapix Auto Cinematic Lightroom Desktop and Mobile Presets - 5 Premium Lightroom Professional presets. They are easy to use, flexible, and can be adjusted if necessary. These presets are for those who want to create a cinematic look but don't know how to begin. These presets can help you get started from the beginning and create a stunning result.

You can serve it in various lighting conditions, but the best shots are taken in low light. The presets were created for Luxurious Autos, but they are not exclusive to them.

- One-click to get professional results (no user input required).
- You can easily edit and apply presets
- Presets can be customized to your liking
- Compatible with both iOS and Android
- Both the Paid and Free Lightroom Mobile are compatible! These presets can be used without an Adobe subscription.
- It works great with photos shot on iPhone, Android, or Professional Cameras.
- Compatible with Lightroom 4 and newer, as well as Photoshop CC CameraRaw.

Files included:

5.DNG files Mobile 5.lrtemplate

Your precious time will be saved! My Lightroom Presets can save you hours, days, or even weeks of work. These presets are great for both beginners and professionals, and will save you a lot of time on personal or business projects.
