Rock The Speakerbox Gearbox (WAV):

We've visited small boutiques, prop homes, and antique shops to collect mechanical gadgets from all over the globe. The collection includes bizarre designs and steampunk-themed gadgets, machines, and gadgets, GEARBOX clocks in at more than 10GB of high-definition, precisely recorded sounds that span 2987 sounds of the construction kit as well as 584 specially designed sounds.

GEARBOX gives sound Designers a complete toolbox full of mechanical gadgets. From tiny to massive GEARBOX's gadgets and machines offer coverage for interaction mechanisms, machines, or any other gadgets in your scenes or game.

INTRODUCING BUILDING BLOCKS

In the CONSTRUCTION Kit, in addition to DESIGNED SOUND content GEARBOX comes with BUILDING BLOCKS. This type of sound is comprised of one-shots and designed phrases that we use to design our machinery that provides sound Designers with the greatest flexibility in obtaining the desired phrase from a previously designed SOUND. GEARBOX includes more than 468 building blocks that include grindings, levers, hit snaps, grinds, and much more.
