Business Timeline Presentation VH-53254038:

The "Business Timeline Presentation" project for Adobe After Effects allows you to add text, videos, and customize colors to create informative and engaging videos.

It's ideal for presentations related to business centers, corporate openers, company or agency advertisements, coworking centers, or business event promotions.

You can create inspiring video openers, slideshows for meetups or forums, advertising videos, and technology-style presentations.

Key features include compatibility with Adobe After Effects CC 2017 to CC 2025 or higher, Full HD resolution (1920×1080), a 0:50 minute duration with 17 media placeholders and 33 title placeholders, universal expressions for any language software, and no plugins required.
