Intro Promo (Videohive 54171549) - AE Project:

Intro Promo by NeuronFX is a dynamic After Effects template designed for tech-driven businesses, startups, SaaS companies, and agencies.

It features stunning 3D objects and scenes centered around a glowing orb that transitions between 8 fully animated text placeholders.

The template offers full-color control, allowing customization to match any brand's aesthetic.

It is compatible with After Effects 2022 and newer versions, though music and sound effects are not included.

Ideal for product launches, corporate presentations, website intros, event promotions, social media ads, explainer videos, and more.

The resolution is 1920x1080.
