Skateboarding Typography Scenes for AE VH-53435837:

"Skateboarding Typography Scenes" is a dynamic After Effects template featuring four vibrant slides with customizable colors and editable text.

This template combines hand-drawn elements with lively typography, making it perfect for skateboarding-themed videos, sports intros, action-packed promos, urban-themed content, and creative titles.

It adds a colorful and energetic touch to any project.

Key features include hand-drawn animations, full color control, no plugin requirements, and compatibility with After Effects 2021 and newer.
