Watercolor Spring Floral Collection (PNG, JPG): This set consisting of **Watercolor Spring Florals elements** includes hand-painted floral arrangements and plant life branches, leaves of greenery as well as tulip flowers. Also, there are wreaths of flowers as well as seamless designs. The elements are all high-resolution (300dpi) PNG files with transparent backgrounds.

The patterns are seamless, ranging from 5000x5000 pixels meaning you can create them without worrying about the size of your project. The patterns are saved as JPG images or PNG files with a transparent background. It is possible to add an attractive or vibrant backdrop depending on your preferences. Hand-painted unique and trendy watercolor nature-inspired graphics in green and light pink hues will make your projects gorgeous, beautiful, and truly unique!

With this stunning Spring plants collection, you can design your own tender, unique and original DIY design with a natural eco style. This collection is perfect to make cards invitations to parties, wedding invitations, stationery, birthday tags, blog designs Logos, Digital Scrapbooking packaging greeting cards, banners, posters prints, textiles wrapping papers, D.I.Y. and more.

- 39 distinct floral elements of 39 floral elements PNG (transparent background, 300dpi. 5"x7", 4"x 6" 8"x8", 7"x13", 6"x12" ");
- 7 floral wreaths of flowers in PNG (transparent background, 300dpi) 12"x12 ");
