Model Show (Videohive 38680400) - AE Project: Model Show is a simple and stunning program that you can control to make your own multimedia slideshow. You could use images instead of videos.

- A simple and well-organized completely manageable project that is easy to manage and fully control.
- It is easy to modify every element of this project.
- Change the text, drag your audio, and media, and then hit render.

It doesn't require any Advance understanding of After Effects in order to make use of this application. Even if you've never had any experience in After Effects you can watch the video tutorial and then complete the task.

- HD 1920x1080
- Fully controlled
- No plugins required
- Includes video tutorial
- Fast rendering
- After Effects CC or higher
- Videos and audio are not included.
- Font links are in the project
