AnimationStudio Social Media Graphics Pack VH-34699802: Make use of it in Premiere Pro Over 350 professional elements and presets you can utilize with Premiere Pro. **Video Library** contains more than 200 pre-made videos and 1000 elements across 12 categories that will help you create the perfect video that has a professional appearance. Colorful, Corporate, Extreme, Glitch, Grunge, Ink Smudge, Letters, Modern, Showreel, Sport, Urban, Vintage. Each category is comprised of different elements which create a distinct style. You can apply a preset in one click, change the text, and then make use of Control Panel Control Panel to change effects and colors. We'll continue to update our Video Library and add more categories, presets, as well as elements.

- The collection includes over 350 titles from professional animations.
- It's simple for newbies to use the preset with only one click.
- There aren't any holders needed and presets can use adjustment layers.
- Resolution supported is 4K.
- Change the preset in just one click.
- The user can use 1,2 or even 3 different presets in a row to create a unique appearance.
- You can easily change the time duration of the set-up.
- It doesn't require any specialization in Premiere Pro
