- **8 Color Presets** for various scenarios that give you a distinct appearance
- **10 Presets for Local Adjustment** that can transform completely your images
- **45 minutes of video tutorials** to aid you in learning the tools that you'll receive.
- **my Original Image Files** to allow you to follow my step-by-step workflow

In the past few years, I've edited over 3000 photos. You will also receive the tools I employ every day to turn my raw images into my personal style.

What's important to know

- These Presets are designed for Desktop usage only and are best used on RAW Files
- The Lightroom Classic Version 9.0 or higher is required.
