Summer Web Promotion - AE Project VH-37165481: The most effective way to advertise your website is using this template! An innovative project to promote the promotional landing page or website with a fresh and unique motion design.

Web Promotion for Summer Web Promotion is a template that can be used to showcase and promote programs for laptops or computers or tablets, mobile applications, websites, services as well as the user interface. The placeholders can be used for videos, screenshots, and animations of any kind.

Web promo is the continuation of the well-known series that is built within After Effects. Ideal for promoting your latest website or app! Simply drag a photo of your site into those placeholders on the screen, then change your text, and then render.
