Marketing Typography for After Effects VH-51469809: Introducing Marketing Typography, a versatile template designed to enhance your brand's communication. Featuring four dynamic scenes with logo placeholders, customizable colors, and editable text, it's perfect for creating engaging marketing materials. The minimalistic design, adorned with lines and geometric shapes, offers a modern aesthetic suitable for presentations, product promos, and corporate videos. Whether you're a marketer, designer, or business, this template provides a contemporary edge to clearly present your message.

- Modular structure
- Full-color controls
- Font links included
- Video tutorial included
- Compatible with After Effects 2019 and above
