2 MOBILE and DESKTOP LIGHTROOM PRESETS - SILVER DUST

Improve your photographs and make them stand out like an experienced editor. You will achieve amazing outcomes.

- for: Instagram Bloggers / Influencers Photographers
- Result: Silver/grey colors
- Best for: All images
- The majority of photos are taken in daylight
- Indoor & Outdoor

Compatible with both desktop and mobile versions of Adobe Lightroom.

Presets can be a fantastic method to speed up the process and achieve professional results. It doesn't require professionals, it's simple to utilize these. Based on the conditions of lighting along with your camera settings, and your personal style, you might have to make a few minor adjustments. Presets are an excellent starting point however they come with maximum settings, and they are displayed in different ways for each photo, so it's normal to alter your settings when you believe it's important. You'll be amazed by your images and be different from other photographers.

What are the contents of the files? -2 desktop (zip) & 2 mobile presets (dng). The package includes two kinds of presets, both the mobile and desktop versions. Also, a pdf file contains instructions.

The Mobile version is compatible with no Adobe subscription. All you require is the Lightroom the CC app on your smartphone (both iPhone and Android) Read the instruction file on how to install your preset.
