Motionarray　　Project

Event Promo (Motionarray 790113): Event Promo is an awesome After Effects template which you may utilize to earn a high-quality presentation of your forthcoming event, business seminar, and much more. It utilizes a gorgeous mixture of easy looking text cartoons and easy transitioning effects to show and boost your media. It is really user friendly, just edit the text, then drag and drop on your new press and hit left. Inform your audience with this professionally equipped and animated AE template. An in-depth video tutorial is also included. Offered at 4K.
