

### Justin Odisho Super 8 Film Overlays Pack (Full Pack)

2025-02-10 17:14:59 [label](#) [我要反馈](#) [下载页面](#)

The **Justin Odisho Super 8 Film Overlays Pack (Full Pack)** is an After Effects plugin featuring over 20 Super 8mm film grains and textures, including 9 film grains and overlays, 7 unique film burns and leaks, and 4 film strip start and ends.

#### How to improve your video?

You can use the "Justin Odisho Super 8 Film Overlays Pack".

Additionally, it offers three different types of Kodak film stocks (50d, 200t, 500t), 40 bonus stills, and 2 sound effects.

#### "Justin Odisho Super 8 Film Overlays Pack" Samples:

Shot on a historic Canon 518 Super 8 camera and digitally scanned in ProRes quality, these overlays are compatible with various video editing software such as Premiere Pro, Final Cut, Avid, and more.

Available in both 4K resolution (4096 x 3112) and Standard HD (1920 x 1459), the pack requires approximately 9GB of storage for the 4K version and 2GB for the HD version.
