Gfx plugin details of Retro Grain Procreate Brush Set

The product is in the **Other category**, for more information about this post you can click on the home page link in the sidebar. To search for similar products to Retro Grain Procreate Brush Set,

This pack includes 32-grain brushes to add retro designs to work with! Each brush has different textures, sizes, and shapes to find the perfect brush for every occasion. They can be used in various blend modes and colors to create overlays. I love using the orange-toned ones in overlay mode to give the vintage 70s feel to my designs. You can set the opacity to create an intense dark grain, like the cover image of this listing, or lower it for an ethereal appearance.

What is Retro Grain Procreate Brush Set?

The Retro Grain Procreate Brush Set, available on CreativeMarket with reference number 12726140, is a collection of digital brushes specifically designed for use with the Procreate app on iPad. These brushes are exclusively designed for Procreate, an iOS application for digital drawing and illustration on the iPad. They are not compatible with other software, such as Photoshop.
